Please join us for our **"Drive for 5"** Slalom event; we will have two slalom events on Friday and two Slalom events on Saturday and one on Sunday. Show up at the track and we will race the 1<sup>st</sup> slalom (**3 pts**), then take a break for lunch (concession on site will be available) reset and have the 2<sup>nd</sup> slalom (**2 pts**). We will repeat this again on Saturday (**2 pts each slalom Saturday**). On Sunday there will only be one slalom (**2 pts**) in the morning so folks can head home early. This will be a great warm up for Canadian Council of Corvette Clubs Convention 2010 back in Regina in September.

After racing on Saturday, please, join us at Rick and Julie Creelman's for a backyard BBQ Steak Dinner, 3516 Gordon Road, Regina. Just bring yourselves and your choice of beverage. We will take care of everything else, dinners on the club.

The host hotel will be West Harvest Inn, 10 rooms have been set aside for this event (with a release date of June 10<sup>th</sup> 2010) **you must book a room by this date as they will not hold them any longer**. Below is hotel information should you need it. For those of you who are die hard racing fans, this weekend is for you. Come out and do your thing on our great track 5 times, enjoy a great steak dinner and socializing, earn points and really put you and your car through its paces. You spoke and we listened, in previous years so many wanted more slaloms. But needed time to drive home, well we came up with this solution. This year the holiday works in everyone's favour.

If possible please **RSVP to us by June 21<sup>st</sup>**, so we have an idea of how many will be attending, and how many steaks to purchase. We're looking forward to a great time, and lots of cars. A creative and unforgettable shirt again will be available to purchase to mark this great event.
